

# THE DISTRICT MUNICIPALITY OF MUSKOKA

## Engineering & Public Works

### Job Description

**POSITION TITLE:** Quality Control Technician Assistant

**CLASSIFICATION:** Summer Student

#### **POSITION SUMMARY:**

Responsible for assisting the Quality Control Technician in testing of all materials to be incorporated into the District of Muskoka projects. Should have the ability to perform duties of the Quality Control Technologist during the absence of the same.

#### **MAJOR RESPONSIBILITIES:** (Not limited to)

- Assists in maintaining laboratory certification;
- Assists in testing, reporting and approving of materials to be incorporated in construction and resurfacing projects, including soils, asphalt and concrete;
- Assists in performing compaction testing utilizing a nuclear density testing device;
- Assists in preparing samples for submission to outside laboratories;
- Assists with soils investigation for future construction projects, i.e. rock probes and soil classification;
- Other related duties as assigned.

#### **EDUCATION, EXPERIENCE AND QUALIFICATIONS:**

Grade 12 plus one (1) year related laboratory experience. Familiar with material testing techniques. Must have a valid Ontario Driver's License (minimum Class G2).

---

Students must be enrolled in full-time post secondary studies for the following school year with proof of enrolment provided to the Human Resources department when requested.

Students shall be hired based on qualifications, experience, skills, abilities and course of study applicable to position being filled. Relationship to another employee in the District shall not be a consideration in the hiring process.
