

# The District Municipality of Muskoka is currently recruiting for a Coordinator, Climate Initiatives

## The District

Muskoka is a great place to live and play, and the District is a four-season municipality passionate about protecting, servicing and caring for this community. We have opportunities that will allow you to learn, grow and build your career amongst other ambitious leaders and innovators. We offer a competitive compensation package and are committed to promoting diversity, accessibility and inclusion. [Watch our video](#) to learn more.

## The Opportunity

As the Coordinator, Climate Initiatives, you will confirm and advance the District's corporate response to the changing climate and develop and maintain a District of Muskoka Climate Action Plan to address the current and future climate conditions projected for Muskoka in the mid-century.

### What you will do:

- Provide vision, guidance and project leadership in the development, monitoring and implementation of a District of Muskoka Climate Action Plan, and related environmental and corporate projects
- Facilitate interdepartmental and intra-jurisdictional efforts to review existing and/or emerging climate initiatives and adaptation mitigation measures
- Identify and pursue external resources and funding support to undertake municipal climate-related initiatives (e.g., through various grants offered by the Federal and Provincial governments, the Federation of Canadian Municipalities' Climate Innovation Program, etc.)

### What you will need:

- University degree in Resource Management, Planning, Public Administration, Engineering, Environmental Science, or a related field
- Minimum of five (5) years' related experience in progressively responsible roles, preferably from within the municipal or agency sector; substantive knowledge of climate initiatives is beneficial
- Solid understanding of legislation, policy and implementation instruments with demonstrated technical expertise, coupled with the ability to understand and interpret environmental and scientific information
