or online at www.muskoka.on.ca/MET
under the "Key Initiatives" heading.

Questions/Suggestions?

Email TheMET@muskoka.on.ca
or call 1.844.440.6387 (GGO METS)
to leave a message.

Pre-purchase: Organizations, community agencies/services that would like to pre-purchase passes for their clients contact The MET as indicated above.

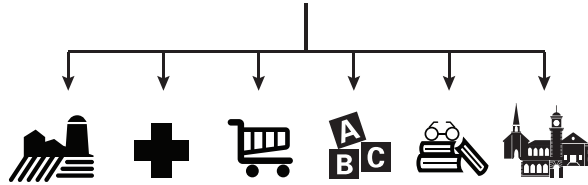

The MET is a pilot project funded by the Ministry of Transportation of Ontario (MTO). We welcome and encourage your suggestions.

Please help us help our communities.

The MET (Muskoka Extended Transit) system will be using school buses. The goal of this transit system is to make it easier for people living in more rural areas to get to communities, programs and services.

- Good Rule of Thumb... The MET runs its routes only when school buses are running. (The MET doesn't run during weather cancellations - holidays - and summer months)
- Because bus drivers must be back in time to pick up students after school, they must stick to the schedule and cannot wait for passengers.
- As with any new project, we appreciate your patience as we grow.
