

### Step By Step Guide To Coordinated Care Planning

**Health Link Project Management Functions/Role:**

- Referrals (where required)
- Client, Navigator and CCP Tracking
- Coordination Client Satisfaction

Care Team Members	
Starting Point In-Hospital	Starting Point In Community
<b>SMMH</b> PEFN, CCAC - TCC and CCC, SASOT, PC* + any other obvious providers (Mental Health, Housing, etc.)	Primary Care * (FHT, NPLC, Health Hub) CCAC – CCC (if eligible) + any other obvious providers (Mental Health, Housing, etc.)
<b>HDMH</b> PEFN, CCAC – TCC and CCC, GCT, PC* + any other obvious providers (Mental Health, Housing, etc.)	*If not attached to Primary Care, then include primary care as priority goal in CCP
