Our Huntsville Water and Wastewater Team has had an opportunity come available for two (2) **temporary full-time General Labourers to join the crews for a period of up to 4-months**. This role works with the water and wastewater (WWW) team in the Huntsville locations, but may also be required to provide services/ perform duties with the other WWW teams, throughout Muskoka. This job will work a 40-hour work week, Monday to Friday.

Responsibilities of the General Labourer - WWW will include, but not be limited to:

- Assist in minor maintenance and repair as directed;
- Perform laboratory tests on various samples as directed (alkalinity, hardness, pH, suspended solids, phosphorous, etc.);
- General operation of selected plant processes (i.e. Centrifuge);
- Enter data into various operational spreadsheets;
- Dig, shovel, sweep, trim, prune, clean, pick up etc., as directed;
- Assist in moving and arranging furniture, office equipment, refuse, appliances, etc.;
- Work safely and in compliance with relevant statutes and regulations and within the safe work procedures and directives as established by the District; and
- Perform other related duties as assigned.

The skills, experience and qualifications we are seeking for this job include:

- Grade 12 or equivalent, plus 6 to 12 months of related experience;
- Basic computer skills; and,
- Valid Ontario driver's license with a clean driver's abstract.

We would expect that your strengths will include being able to take direction from multiple parties and the ability to work with minimal supervision. Good interpersonal skills are also essential for this job.

If you have the necessary skills, experience and qualifications, please review the **“How to Apply”** instructions on our Website before submitting your application.
