

Are you looking to grow your Career in the field of Water & Wastewater Operations?

The District Municipality of Muskoka is currently recruiting for a Level 2 Operator

The District of Muskoka is responsible for operating and maintaining all municipal water and wastewater systems within its six Area Municipalities – this includes nine drinking water systems and nine sewage systems plus lagoons. The primary roles of our Water & Wastewater Teams are to supply safe drinking water and to protect the environment and, by association, protect source water for drinking water and the integrity of the surface water within Muskoka.

To join our team, you will have a keen interest in maintaining safe drinking water systems for our communities.

Our systems are broken into three (3) regions – North (Huntsville, Port Sydney & Baysville), Central (Bracebridge & Gravenhurst) and West (Port Severn, Bala, Port Carling & MacTier).

At the present time, we have the following **Level 2 Operator** vacancy:

- **Temporary, Full-time – North – 1 vacancy**

As a Level 2 Operator, you will be responsible for assisting the Chief Operator in the safe and efficient operation and maintenance of Muskoka’s water/ wastewater treatment, water distribution and wastewater collection systems, and hauled waste facilities. The Level 2 Operator’s main responsibilities include:

- Operates and maintains water distribution and sewage collection systems and/or hauled waste facilities, as required.
- Assists Treatment Operators in the general operation, maintenance and repair of treatment works.
- Performs all chemical tests and/or collects samples in the prescribed manner in compliance with Certificates of Approval, legislation, policy and procedures.
- Acts as “Operator in Charge” (OIC) as defined in provincial statutes.
- Other related duties, as assigned

Our Level 2 Operators work Monday to Friday (40 hour work week), with mandatory participation in a rotating on-call schedule (which does include evening, weekend & Stat holiday schedule). These jobs are governed by the CUPE Outside Collective Agreement.

What you will bring to us

On the practical side, you will have a minimum of a Grade 12 diploma coupled with 3 years of experience in water & wastewater operations. Your skill set will also include an aptitude for electrical and/ or mechanical work. Licensing requirements vary by Region/ Facility to which you are assigned. It is still to be determined whether this vacancy will be on Lines or Treatment, please review the license requirement below for the North Level 2 Operators:

Region	Water Treatment	Water Distribution	Wastewater Treatment	Wastewater Collection
North - Lines		2		2
North - Treatment	2	1	2	1

All of our Operators are expected to have solid computer skills and strong interpersonal and communications skills, enabling you to effectively interact with the public and your colleagues. As these jobs require driving District vehicles, you are required to hold a valid Ontario driver's license.

Our expectation is that all Operators Work safely and in compliance with relevant statutes and regulations and within the safe work procedures and directives as established by the District.
