

Curbside
Week 2

Waste Management
Calendar 2026

Welcome!

This calendar is designed to make waste sorting and drop-off simple and convenient throughout the year. Inside, you'll find monthly schedules, seasonal reminders, and quick guides on key programs like organics, recycling, yard waste, hazardous waste, and extreme weather service updates. Use each monthly spread as a snapshot of what's happening and when, with links and QR codes to explore topics in more detail.

Missed Collection? Here's What to Do

The Muskoka Waste App is the quickest and easiest way to report a missed garbage, recycling, or organics pickup. You can submit an issue in seconds and follow updates directly through the app.

You can also contact GFL Environmental, the District's collection contractor: email: muskoka@gflenv.com or phone: 1-855-344-2439

We hope this calendar becomes a helpful tool for staying organized and making waste management easier every day.

Every month a different feature

And every feature is focused on how you can help keep Muskoka clean and beautiful.

January Make sure you're all set to make the Clear Commitment at Waste Facilities this January.

February Introducing Circular Materials Recycling to Muskoka.

March Meet our green bin family.

April Do your part and let's all Clean Muskoka Together.

May Everything you need to know this spring for Leaf and Yard waste.

June Keep your Household Hazardous Waste out of the landfill.

July Be in the know about everything to do with Muskoka's Waste Management System – Download the Muskoka Waste App today.

August Knowing what construction projects are impacting your day to day is important – learn more about Muskoka511.

September We all wonder, so make sure you Know Where It Goes.

October Dispose of your Electronic Waste safely and for free!

November Be prepared for the snow to fly (we know its coming soon!).

December Happy Holidays – know how your collection schedule and waste facilities are impacted.

Did you know recycling in Ontario is now handled by

Circular Materials?

Bi-weekly Garbage Week 2

When is your waste picked up?

This map shows the 5 curbside collection zones and the day of their pick-up. It's easy to look up your specific address by following the QR code below.

If you do not see your home in a highlighted zone, it might be because you are on the Week 1 schedule, refer to our Bi-weekly Garbage Week 1 edition of the 2026 Waste Calendar.

We're making a clear commitment to waste reduction

Muskoka's Clear Bag Program

encourages conscious waste sorting to extend the life of our only landfill and boost diversion efforts. Started in March 2025 for curbside collection and 2026 at District Waste Facilities, non-compliant garbage bags will not be collected or accepted without charge.

Using clear bags improves recycling, diverts organics, conserves landfill space, protects workers from hazards, and keeps dangerous items—like batteries, paint, medicines, and fuel—out of the waste stream, supporting a safer, more sustainable Muskoka.

Recycle more than ever before

No matter where you are in Ontario — at home, the cottage, or just passing through — recycling is now even simpler and more consistent. The province's enhanced recycling system means you'll be able to recycle the same materials everywhere, and even more materials right at the curb.

With the launch of Extended Producer Responsibility (EPR) across Ontario, producers are now fully responsible for funding and managing the collection and recycling of packaging and paper materials.

What does this mean for you?

- **Consistency across the province:** A standardized recycling system, no matter where you live.
- **More materials accepted:** Recycle items like toothpaste tubes, deodorant sticks, ice cream tubs, black plastic containers, and frozen juice containers.
- **A stronger circular economy:** Collected recyclables are sorted and processed so they can be reused again and again — returning to your home as new products or packaging.

This new system is managed by Circular Materials, a not-for-profit organization and the administrator of Ontario's common collection system, committed to building efficient and effective recycling programs across the province.

Organics Program

Green bins, backyard composters, and dropping organics at transfer stations keeps food and organics out of the landfill. This reduces waste, cuts greenhouse gas emissions, and extends the life of our Rosewarne Landfill. It also creates Class AA compost—a nutrient-rich resource for healthy soil.

Weekly green bin collection continues year-round. Together, we can protect our environment, make waste management more sustainable, and create compost for healthy gardens.

www.muskoka.on.ca/organics

Meet the Green Bin Family! Bins are available for purchase at all transfer stations. Prices subject to change.

Clean Muskoka Together

Earth Day reminds us to care for our planet, but in Muskoka, every day can be Earth Day. Small actions add up, from cleaning a roadside to protecting community natural spaces. Through **Clean Muskoka Together**, residents and groups can access free supplies—gloves, recycling bags, and marked garbage bags—for year-round community litter cleanups.

We help residents prepare for spring planting. Check with your local town or township for details on free Earth Day compost giveaways.

Compost is available year-round, subject to supply, at the Beiers and Rosewarne facilities.

Leaf and Yard Waste

Turn your leaves and yard waste into something valuable!

By diverting these materials, we cut greenhouse gases and create free, nutrient-rich compost that helps gardens thrive. Urban residents can take advantage of **curbside collection on May 11, May 25, Oct. 12, and Oct. 26**—just set materials out by 7 a.m. on Monday and pick-up will occur during the week. Non-urban residents, or anyone who misses collection, can drop off at District transfer stations at no charge. Check what materials are accepted at each local Transfer Station.

Together, we can grow greener, healthier communities!

Find out more about **Yard Waste**

 Blue Box Recyclables collection every week.

Household Hazardous Waste (HHW)

HHW includes toxic, flammable, corrosive, or reactive items like paint, cleaners, pesticides, batteries, and fuels. Improper disposal harms people and the environment. Municipalities manage HHW with programs to keep hazardous materials out of landfills and ensure safe, responsible waste management.

Muskoka residents can drop off residential hazardous waste, for free, at scheduled events or in Bracebridge at:

1122 Rosewarne Drive

Mondays, Wednesdays, and Fridays
from 9:00 a.m. to 5:00 p.m. and some
weekdays and Saturdays as scheduled.

Electronic Waste (E-Waste) Disposal

**Protect Muskoka—
manage e-waste safely.**

Electronic devices contain hazardous materials like mercury and lead that can harm our environment. E-waste is not collected at the curb and must be disposed of responsibly.

Many electronics can be returned to manufacturers, or dropped off free of charge at the listed local transfer stations:

- Bracebridge - Rosewarne Transfer Station, 1062 Rosewarne Dr.
- Gravenhurst - Beiers Road Transfer Station, 1052 Beiers Rd.
- Huntsville - Stisted Transfer Station, 178 Stisted Landfill Rd.
- Muskoka Lakes - Eveleigh Transfer Station, 1174 Eveleigh Rd.
- Lake of Bays - Franklin Transfer Station, 1020 Oxtongue Rapids Rd.
- Georgian Bay - Baxter Transfer Station, 980 South Bay Rd.

Please Note:

Electronics are no longer accepted at mobile hazardous waste events.

Extreme Weather Tips

Severe weather can delay curbside waste collection and drop-off in Muskoka. Crews work hard to complete curbside routes safely and ensure Waste Facilities are safe to open. Your help and cooperations makes a real difference!

In snowy conditions, clear snow and ice, keep bins accessible, close lids and avoid placing any material on top of snowbanks.

Holiday Curbside Shuffle and Waste Facility Closures

Heads up, Friday curbside crews are on a festive schedule change this year!

For the weeks of December 21 and December 28, collection days will shift to keep things merry and bright. After that, we're back to the regular routine. Please also note that the Landfill, Transfer Stations and Depots will be closed on Christmas Day, Boxing Day, and New Year's Day.

Thanks for helping us keep Muskoka clean and joyful this season!

- Pasta, bread, cereal, rice
- Peelings
- Rotten or mouldy food
- Soiled food paper plates, napkins
- Shells (eggs, nuts)
- Shrimp tails
- Tea bags
- Tissues, napkins, paper towels (food soiled)

Acceptable Electronic Waste (Drop-off Only)

- Cameras, security cameras
- Clocks, time keeping devices
- Computers
- Data storage devices
- Printers
- Display devices
- Drones
- E-bikes, E-scooters
- Electronic automotive parts
- Electronic exercise equipment
- Generators

- Home AV systems
- Electronic toys, robots, remote controlled (RC) toys
- Lawn and garden tools
- Light fixtures, string lights
- Microwave ovens, small appliances
- Musical instruments, recording equipment
- Outdoor sports equipment
- Personal, portable A/V systems
- Phones, pagers
- Power supplies, extension cords
- Power tools
- Vehicle A/V systems
- Wire, cabling

Acceptable Household Hazardous Waste (Drop-off Only)

- Aerosol cans, paint cans (full or partially full)
- Adhesives
- Anti-freeze
- Batteries (all types)
- Camping cylinders
- Caulking
- Cleaning products

- Cooking oil
- Fluorescent light bulbs (all types)
- Compressed gas cylinder
- Driveway sealer
- Drugs (unused prescription)
- Drywall compound
- Flammable liquids/solids
- Gasoline
- Glues
- Herbicides, insecticides, pesticides
- Ink cartridges
- Lighter fluid
- Motor oil
- Nail polish/remover
- Needles, sharps (rigid plastic container)
- Oil filters
- Pharmaceuticals
- Pool chemicals
- Oxidizers
- Paint
- Propane tanks
- Solvents and thinners
- Thermometer, thermostat
- UV lamps
- Varnish
- Washer fluid
