April 5, 2018 – 9:00am

Meeting: 2			
Date: April 5, 2018		Time(s):	9:00am
		Location(s):	DMM – 70 Pine St Pine Room

Attendees

Name	Title
Richard Corcelli	Member PLC
Terry Henderson	Member PLC
Gary Lachance	Member PLC
Neil Somerville	Member PLC
Andrew Guthrie	DMM - Manager Solid Waste
John Klinck	District Chair
Don Smith	District Councillor
Kathy Collins	Administrative Support
Quinn Michele	Public Awareness Representative

Agenda

- 1. Call Meeting to Order**
- 2. Introductions**
- 3. Presentation – Waste Diversion in Muskoka**
- 4. Q&A, General Discussion**
- 5. Adjournment**

1.

- Welcome to members, DMM council and staff.

2.

- Quinn Michell (DMM Public Awareness Representative) introduced to group

3.

- Presentation on Waste Diversion in Muskoka – Current programs & services available to respective towns & townships regarding recycling, garbage, organics, leaf & yard waste, household hazardous waste, depots, bin sites, transfer stations, and landfill.
- Challenges to system
- Promotion and Education

4.

- Discussion regarding re-use goods, i.e. windows. Are there groups/individuals who may want to collect materials to repurpose? Further diversion of quality materials from the landfill.
- Committee request for data – Diversion Rates 2017 WDO numbers ([See attached](#))
- Muskokarecycles.ca – how best to advertise this resource. Perhaps labelling of collection trucks, stickers to be placed on blue boxes, etc. Good way to promote website, upcoming events and general information. [Request made to Waste Connections regarding specs for truck labelling. New stickers have been ordered for driver use on blue boxes, etc](#)
- Waste Wizard – online tool providing instruction on what materials go where. Currently available on DMM website, possibility to develop an “app”
- Recollect Tool – located on DMM website curbside collection info: calendar
- Expectation of PLC – outside of ECA requirement, defining role & responsibility – what do we hope to achieve? What is the main focus?
- Commercial green bin - could we implement this in our current program?
- Issues with Rosewarne? – concerns about debris along roadway and fence, odour – [Staff picking refuse, pipe issues addressed](#)
- Scrap lumber – chipped: daily cover
- Chippable brush – brown material for compost
- Suggestion to elect a committee chair – Richard Corcelli put forth his name for consideration

5.

- Next meeting ~~9:00am May 10, 2018~~ – Rescheduled to May 28, 2018 9:00am – DMM Maple Room
- Thank you again to members for participating.
