

CLEAN MUSKOKA

TOGETHER

Litter, poses health risks, affects our water quality, is often mistaken as food by wildlife, and is an eyesore. Clean Muskoka Together is a program that provides supplies and resources for volunteers looking to clean up litter in our community. Help keep our public spaces clean by being a Clean Muskoka Together volunteer.

ORGANIZING A CLEAN-UP IS SIMPLE

1. Choose

a public clean-up location – areas in need of litter clean up tend to include neighbourhood sidewalks, community areas, parks and trails.

2. Register

yourself or a team at muskokarecycles.ca and receive a confirmation email and details to pick up your Clean Muskoka Together - clean up kit.

3. Showcase your clean-up

your clean-up – please feel free to take photos of your litter clean-up and tag **#CleanMuskokaTogether** in your posts on social media. Assign someone to deliver the specially marked garbage bags to any transfer station.

4. Report

your success and share your data with us. We want to know all about your litter clean-up. After your clean-up, please fill out the follow-up report in your clean up kit, so we can track the great volunteer work happening in our communities.

#CleanMuskokaTogether

HELP KEEP MUSKOKA

BEAUTIFUL

1. Picking up your clean up kit

All individuals/groups who register for Clean Muskoka Together receive specially marked garbage bags, clear recycling bags and disposable gloves. After you register, you will receive a confirmation with instructions for picking up your clean-up Kit.

2. Disposing of litter

We want to celebrate your success. To make sure your waste is counted towards our Clean Muskoka Together litter count – deliver your specially marked garbage bags and recycling material to your closest transfer station at no charge.

3. Showcase your clean-up

Tag photos of your clean up with the **#CleanMuskokaTogether** hashtag on all social media platforms.

4. Participate every year

Groups that participate every year will receive an honorable mention on the District webpage to showcase your commitment to a cleaner and healthier Muskoka.
