

How do I get a copy of my proof of income statement?

A Proof of Income Statement is a simple version of your tax assessment that summarizes your income and deductions for the tax year. You need to file your taxes every year to be eligible for RGI.

You can get a Proof of Income Statement from the Canada Revenue Agency (CRA) online or by mail.

Online

The CRA My Account is a secure portal that lets you view your personal income tax and benefit information and manage your tax affairs online.

If you are not already registered for My Account, you can sign up on the CRA website. There is a helpful video on the CRA site to walk you through how to register for My Account. There are two options to register: Option 1 – Using a Sign in Partner, like a bank; and Option 2 – a direct CRA Login.

If you are registered for My Account, you can easily print a Proof of Income Statement.

1. Sign into your CRA My Account online.
