

## Construction Notice

### Road Improvements, Water and Sewer Replacement Bishop Street and David Street Communities – Town of Gravenhurst

Contract No. 600-4-B-22

Dear Resident,

Please be advised that the District Municipality of Muskoka, in partnership with the Town of Gravenhurst will be undertaking road reconstruction work and underground infrastructure improvements in your area.

Construction is anticipated to commence soon, with completion scheduled for early winter this year.

#### **Bishop Street** (from westside of Bishop Street and Fourth Street Intersection to Dead-End)

- Watermain and service replacement  
(residents will have continued service via a temporary water connection)
- Sanitary main and service replacements; and
- Smooth driving surface - road reconstruction and paving.

#### **David Street** (from Cul-De-Sac at CN Tracks to David Street and Third Street Intersection)

- Sanitary main and service replacements;
- Curb and sidewalk replacement;
- Culvert replacement; and
- Smooth driving surface - road reconstruction and paving.

We appreciate your patience, understanding and cooperation while we upgrade the infrastructure in your community. This work is important to ensure critical water and sewer services to your property continue, without disruption. A smooth driving surface will also be achieved when the project is complete.

Please note, these streets will be encouraged as “local traffic only”, and single lane restrictions may be in effect while construction is underway. Residents will have access to their properties/driveways at all times.

We look forward to providing you an update this Fall. We'll work to complete this project as quickly as possible.

Thank you,

The District Municipality of Muskoka  
Manager, Infrastructure Engineering – Rob Anderson
