Terms and Conditions

The amount of the loan requested must not exceed the costs of connecting the service(s) including the cost of all such supplies and equipment, for example, sanitary sewage pumps. The loan shall only be used to make the required connection(s) and shall only be advanced after the applicant has made the connection(s) and provided evidence of the actual costs of making the connection(s). The interest rate shall be determined by Muskoka, as set out in Part B: Evaluation of Application.

In addition to the principal sum of the loan, interest will be applied to the principal sum of the loan for the period commencing the first of the month following approval of the loan to the borrower to the end of the calendar year at the prescribed interest rate. The amended principal must be repaid along with interest over the term of the approved loan.

Repayment of the loan must commence in the year following the advancement of the loan and collection will be made via the annual tax bill for the property.

The loan must be secured by registration of a charge on title. The registration of such documentation is a pre-condition to advancing the loan funds. If this loan application is approved, the applicant(s) agree to the registration of all documents required by Muskoka as a condition of the advancement of funds.

Personal information on this form is collected by The District Municipality of Muskoka under the authority of The Municipal Act, 2001, c.25, as amended and any by-laws passed pursuant to it, and for the purpose of administering this loan application and for no other purpose.

We (I) the undersigned accept the above noted terms and conditions and hereby apply for the loan.
